AFRICAN ELECTIONS PROJECT

African Elections Project established 2008 with the vision of enhancing the ability of journalists, citizen journalists and the news media to provide more timely and relevant elections information and knowledge while undertaking monitoring of specific and important aspects of governance

Broad based Objectives

- To consolidate the gains of democracy through active promotion of free flow of election information and knowledge as a vehicle to promote free and fair elections
- To strengthen the media and related civil society in their role as enablers of good governance
- Developing the capacity of journalists in the area of election coverage in order to improve on the quantity and quality of the coverage of elections issues
- Enhance the process of information and knowledge sharing of good practices and lessons among all stakeholders involved in election monitoring process
- Contribute to the reduction of the tendencies of violence by encouraging the media to tell both sides of the election story
- Developing early warning system to alert stakeholders who may be falling into the trap of inflaming passions which can lead to violence
- Developing media elections result centre which will service the media with key content about the elections during the result stage
- To develop capacity for election observations
- To provide a central pool of relevant ICT tools for stakeholders involved in the electoral process
- To create a space for dialogue between political parties and the electorate

Building Blocks

- Training for senior editors, journalists and reporters
- SMS application in coverage and monitoring
- Election Guide for the Media
- Information and Knowledge Online Portal
- Knowledge products for the media
- Media Monitoring incorporating early warning system

Africa wide Coverage

- Ghana www.africanelections.org/ghana
- Mauritania www.africanelections.org/mauritania
- Malawi www.africanelections.org/malawi
- Mozambique www.africanelections.org/mozambique
- Namibia www.africanelections.org/namibia
- Botswana www.africanelections.org/botswana
- Togo www.africanelections.org/togo
- Guinea www.africanelections.org/guinea
- Niger www.africanelections.org/niger
- Cote d'Ivoire www.africanelections.org/cotedivoire

African Elections Project is no doubt a groundbreaking project providing an important contributory role in deepening democracy and supporting the creation of open societies through capacity building for the media and other key stakeholders, while at the same time providing a unique online elections information and knowledge platform that will eventually provide transparent access to the electoral processes across the Africa.

Bem-vindo à Página do Partido Renamo

MENSAJEM DE BOAS VINDAS

É com imenso prazer que vos desejo boas vindas à nossa página na internet. A abertura desta página surge como resposta do Partido RENAMO aos desafios da uma época de Tecnologia de Informação, em que o site se torna em cada dia que passa um instrumento imprescindível à nossa existência diária. Sempre dissemos que somos um Partido que se estrutura de acordo com as necessidades da conjuntura política e dos desafios a vencer. Assim, com esta página pretendemos alcançar uma audiência maior dentro e fora do País para uma maior divulgação sobre quem somos nós, os nossos programas e estatutos e as nossas actividades quotidianas.

Avizinhem-se as eleições Gerais e as primeiras para as Assembleias Provinciais, apalamos para que todos irmãos em idade eleitoral recebam-se para poder votar no dia 28 de Outubro de 2009.
